I am writing concerning President Clinton's plan to give the F.D.A. regulatory authority over tobacco. The decision, my job is at stake.

I work for a tobacco company like thousands of others. The very core of President Clinton's proposal eliminates my position within my organization.

[illegible] service with not only suffer, but [illegible] out of business. This restriction of [illegible] millions of Americans choice to [illegible].

[illegible] have on our already struggling [illegible].

[illegible] when you attend a [illegible].

[illegible]
